Mid Year Check – In / FAQs (1/3)

Topic	Domanda	Risposta
Goals Visualization (Employee)	I don't have any goal loaded into the system, what should I do?	You will have to enter the objectives agreed with the Manager directly in the "Self Evaluation: Mid Year Check-In" task
	I have updated my goals in the Self Evaluation, when will I see them in my dashboard?	The updated goals will only be visible at the conclusion of the Mid Year Check-In process, after you have submitted "Acknowledgement" task. You will see your updated goal in your profile Performance > Goals
	There are "Cascade" goals in my card that are not applicable to me. Can I change or delete them?	You can change them if they have been set as such by the cascader. You will first need to align your Manager with your change request. In your "Self Evaluation" tab you can then do this, selecting "Not Applicable" as the status, weight 0 and entering a comment to justify your action.
	I have development goals that are not currently applicable, what should I do?	You can proceed to update the goal directly in your Self Evaluation by selecting "Not Started" as the status and entering a comment to motivate it. To add another development goal, you can click on "Add" and create a new one. Remember to make sure that the total weights are equal to 100.
	I have just joined Eng Group, what should I do? Do I have to enter goals and do the Mid Year Check – In?	If you were hired after 03/07 you will have to enter your goals in the Mid Year Check – In: Self Evaluation task after agreeing them with your Manager.
Self Evaluation (Employee)	I made a mistake in filling out my self evaluation. How do I go back?	Only the Manager has the possibility to "Send Back" the received form and send it back. In case of an error, we recommend that you notify the Manager as soon as possible so that he can send the card back to you.
	I asked another person for feedback, but it is not visible in my Self Evaluation, why?	Feedback entered by selecting the "Private" option is not visible in the Mid Year check-in tab. We recommend that you request feedback by specifying that it is visible.
	I have completed my Self Evaluation form, but my Manager has not received the Manager Evaluation task to evaluate me. Did I do something wrong?	If your Manager does not see the "Manager Evaluation" task, it is because the "Get Additional Manager Evaluation" task has not been completed or skipped. Only after requesting feedback, the Manager will be able to view the task to evaluate you.

Mid Year Check – In / FAQs (2/3)

Topic	Domanda	Risposta
Get Additional Manager Evaluation	Is it possible to request feedback from multiple people in the Get Additional Manager Feedback task?	Yes, you can choose more people.
	Can I request feedback from a customer or third party outside the company?	You can request customer feedback for your people outside the system and attach it in the "Supporting Documents" section.
	There has been a reorganization of the Organizational Unit and I am no longer that person's Manager. Can I reassign the task to the correct Manager?	You can reassign the task to the correct person by selecting "Reassign" and entering the reason for the request. This will then be verified by HRBP and Talent Admin before being approved.
	I requested feedback from the wrong person and I no longer see the task—how can I cancel the request?	If you mistakenly assigned the 'Get Additional Manager Evaluation' task to the wrong person, please note that since this is a non-mandatory task, it cannot be canceled or recalled. As a Manager, you can directly inform the person who received the request by mistake, explaining that no action is required on their part. If you wish to request feedback from the correct person instead, you can do so using the 'Get Feedback on Worker' task.
	I requested feedback for one of my workers directly from the "Feedback" section, but the Mid Year task is still not completed. Can I skip this task or not?	In this case, you can skip this task by clicking on "Skip task" to go to the next step. The important thing is that each person has received at least one useful feedback for the evaluation.
	I received a task by mistake to give feedback to someone—how can I decline it?	If you received the Get Additional Manager Feedback task by mistake, please note that since it is a non-mandatory task, it cannot be canceled or recalled . You can simply ignore it and, if needed, inform the person who assigned it to you about the error.

Mid Year Check – In / FAQs (3/3)

Topic	Domanda	Risposta
Manager Evaluation	Once I have completed the assessment, should I immediately schedule a meeting with the person?	Each Manager is required to schedule an individual moment with each person on their team. The meeting can be held once the review has been completed with the summary rating "on track – off track".
	I completed the "Manager Evaluation" task and received the "To Do 1:1" task. Do I have to click "Submit" immediately?	Clicking "Submit" will send the rating to the person and it will no longer be possible to edit it. We suggest to first have the 1:1 meeting with the person and then click "Submit".
	I accidentally submitted the Manager Evaluation—how can I go back?	If you mistakenly submitted the Manager Evaluation for the Mid Year Check-In 2025, unfortunately, it is not possible to revert it on your own once the form has been submitted. In such cases, you'll need to open a ticket on AZIZ to request support in resetting the task to the Manager Evaluation step. Please note that this action is only taken in cases where the form was not completed or contains significant errors.
Report	What reports can I use to track the progress of my team's Mid Year process?	From the "Talent & Performance Management" dashboard by selecting "Mid Year Check – In" and filtering by Mid Year Check – In 2025 you will be able to view the following dashboards: • Performance Review Status: details of how many evaluations have been completed or are in progress • Performance Review Status – Action Required: a report that shows where the assessments are in the process. • My Team's Performance Reviews: recap report to display the Manager rating "On Track – Off Track"
	How do I see all feedback given and received from my team?	You can view all the feedback given and received from the people on your team by writing in the search bar "Feedback Summary"
	Is there a report that shows me the status of the Feedback request?	You can use "Additional Manager Evaluation Status" report by typing in the search bar
	How should I manage people who have resigned?	You don't have to do anything right now and you can leave the task "pending".

Thank you

Mid Year Check – In / FAQs (1/3)

Topic	Domanda	Risposta
VISUALIZZAZIONE GOALS (Employee)	Non ho nessun obiettivo caricato a sistema, cosa devo fare?	Se non hai nessun obiettivo a sistema e hai ricevuto il task di “Self Evaluation: Mid Year Check-In” , dovrai inserire in questa scheda gli obiettivi concordati con la/il Manager.
	Ho aggiornato i miei obiettivi all'interno della Self Evaluation, quando li vedrò nella mia dashboard?	Gli obiettivi aggiornati saranno visibili solo alla conclusione del processo di Mid Year Check – In, quindi dopo aver fatto “Acknowledgement” , nel tuo profilo Performance > Goals.
	Nella mia scheda sono presenti degli obiettivi “Cascati” che non sono applicabili per me. Posso modificarli o cancellarli?	È possibile modificarli laddove siano stati impostati come tali da chi ha effettuato il cascading. Dovrai prima di tutto allineare la tua/il tuo Manager rispetto alla tua richiesta di modifica. Nella tua scheda di “Self Evaluation” potrai poi farlo, selezionando come status “Not Applicable” , peso 0 e inserendo un commento per motivare la tua azione.
	Ho degli obiettivi di Development (Sviluppo) che attualmente non sono applicabili, come mi devo comportare?	Puoi procedere ad aggiornare l'obiettivo direttamente nella tua scheda di Self Evaluation selezionando come status “Not Started” e inserendo un commento per motivare l'azione. Per aggiungere un altro obiettivo di sviluppo puoi cliccare su “Add” e crearne uno nuovo. Ricordati di verificare che il totale dei pesi sia pari a 100.
	Sono appena entrata/o in Eng Group, come mi devo comportare? Devo inserire degli obiettivi e fare la Mid Year Check – In?	Se sei stato/a assunto/a dopo il 03/07 dovrai inserire i tuoi obiettivi nel task di Mid Year Check – In: Self Evaluation dopo averli concordati con la tua/il tuo Manager.
Self Evaluation (Employee)	Ho sbagliato a compilare la mia scheda di autovalutazione. Come faccio a tornare indietro?	Solo la/il Manager ha la possibilità di effettuare il “Send Back” della scheda ricevuta e rimandarla indietro. In caso di errore, ti consigliamo di avvisare la/il Manager il prima possibile in modo che possa rimandarti indietro la scheda.
	Ho richiesto un feedback ad un'altra persona, ma nella mia scheda non è visibile, perché?	I feedback inseriti selezionando l'opzione “Private” non sono visibili nella scheda del Mid Year check-in. Ti consigliamo di richiedere il feedback specificando che sia visibile.
	Ho completato la mia scheda di Self Evaluation, ma la mia/il mio Manager non ha ricevuto il task di Manager Evaluation per valutarmi. Ho sbagliato qualcosa?	Se la tua/il tuo Manager non visualizza il task “Manager Evaluation” è perché non è stato completato o saltato il task “Get Additional Manager Evaluation” . Solo dopo aver richiesto il feedback, il/la Manager riuscirà a visualizzare il task per valutarti.

Mid Year Check – In / FAQs (2/3)

Topic	Domanda	Risposta
Richiesta Feedback – Get Additional Manager Evaluation	È possibile richiedere feedback a più persone nel task di Get Additional Manager Feedback?	Sì, è possibile scegliere più persone.
	Posso richiedere un feedback ad un cliente o terze persone esterne all'azienda?	Puoi richiedere fuori sistema il feedback a clienti per le tue persone e allegarlo nella sezione “Supporting Documents”.
	C'è stata una riorganizzazione dell'Unità Organizzativa e non sono più Manager di quella persona. Posso riassegnare il task alla/al Manager corretto?	Puoi riassegnare il task alla persona corretta selezionando “Reassign” e inserendo la motivazione della richiesta. Questa sarà poi verificata da HRBP e Talent Admin prima di essere approvata.
	Ho sbagliato persona a cui richiedere il feedback e non vedo più il task, come faccio per cancellare la richiesta?	Se hai assegnato per errore il task Get Additional Manager Evaluation alla persona sbagliata, trattandosi di un task non obbligatorio, non è possibile annullarlo o rimandarlo indietro . Come Manager, puoi avvisare direttamente la persona che ha ricevuto la richiesta per errore, spiegando che non deve intraprendere alcuna azione. Se desideri invece richiedere il feedback alla persona corretta, puoi farlo utilizzando il task Get Feedback on Worker.
	Ho richiesto il feedback per una mia persona direttamente dalla sezione “Feedback”, ma il task della Mid Year risulta ancora non completato. Posso saltare questo task oppure no?	In questo caso, è possibile saltare questo task cliccando su “Skip task” per passare allo step successivo. L'importante è che ogni persona abbia ricevuto almeno un feedback utile per la valutazione.
	Non so a chi chiedere feedback per le persone del mio team, dato che lavorano tutte direttamente con me. A chi posso richiedere i feedback?	In questo caso, per i profili più junior del tuo team puoi chiedere un feedback a quelli più Senior. Potrai chiedere feedback a Clienti o terze parti (es. fornitori, partner) per i profili che si interfacciano maggiormente con loro.
	Ho ricevuto per sbaglio il task per dare un feedback ad un persona: come faccio a declinarlo?	Se per errore hai ricevuto il task Get Additional Manager Feedback, trattandosi di un task non obbligatorio, non è possibile annullarlo o rimandarlo indietro . Puoi semplicemente ignorarlo ed eventualmente avvisare la persona che te l'ha assegnato dell'errore .

Mid Year Check – In / FAQs (3/3)

Topic	Domanda	Risposta
Manager Evaluation (Manager)	Una volta che ho completato la valutazione, devo subito fissare l'incontro con la persona?	Ad ogni Manager è richiesto fissare un momento individuale con ogni persona del proprio team. L'incontro può essere svolto una volta completata la review con il rating di sintesi "on track – off track".
	Ho completato il task "Manager Evaluation" e ho ricevuto il task "To Do 1:1". Devo subito cliccare "Submit"?	Cliccando "Submit" invierai la valutazione alla persona e non sarà più possibile modificarla. Consigliamo prima di svolgere prima l'incontro 1:1 con la persona e poi cliccare "Submit" .
	Ho sottomesso per errore la Manager Evaluation, come faccio a tornare indietro?	Se hai sottomesso per errore la Manager Evaluation per il Mid Year Check-In 2025, purtroppo non è possibile tornare indietro autonomamente una volta che la scheda è stata inviata. In questi casi, sarà necessario aprire un ticket su AZIZ per chiedere al supporto di riportare il task allo step di Manager Evaluation. Tieni presente che questa operazione viene effettuata solo in caso di mancato completamento della scheda o di gravi errori.
Report	Che report posso usare per monitorare lo status di avanzamento del processo di Mid Year del mio team?	Dalla dashboard "Talent & Performance Management" selezionando "Mid Year Check – In" e filtrando per Mid Year Check – In 2025 potrai visualizzare le seguenti dashboard: • Performance Review Status: dettaglio di quante valutazioni sono state completate o in progress • Performance Review Status – Action Required: report che mostra in quale fase del processo si trovano le valutazioni. • My Team's Performance Reviews: report di recap per visualizzare il Manager rating "On Track – Off Track"
	Come faccio a vedere tutti i feedback dati e ricevuti del mio team?	È possibile visualizzare tutti i feedback dati e ricevuti dalle persone del tuo team scrivendo nella barra di ricerca "Feedback Summary"
	Esiste un report che mi mostri lo status della richiesta di Feedback?	Puoi usare il report "Additional Manager Evaluation Status" direttamente nella search Bar
Altri Casi	Come devo gestire le persone dimissionarie?	Non devi fare nulla in questo momento e puoi lasciare il task "pending".
